

# Thinking

## Verifying largest cities in Saskatchewan

I'm checking which are the largest cities in Saskatchewan by population, according to official sources. After considering Saskatoon, Regina, Prince Albert, Moose Jaw, and possibly Swift Current, I'll double-check with updated info to get an accurate list. Let's confirm the top 5 based on the latest census numbers.

## Browsing for Saskatchewan population rankings and neighborhoods

### Confirming top 5 cities

I'm seeing a list of the top 4 cities in Saskatchewan from one source, but I need to figure out which is the 5th — Swift Current or Yorkton? There's another list I can check for cities ranked by population in Saskatchewan. I'll do a quick search to confirm the full list!

## Searching for top 5 largest cities in Saskatchewan

### Finding meeting venues

Based on my research, the top 5 cities seem to be Saskatoon, Regina, Prince Albert, Moose Jaw, and Swift Current — all set!

Now, I'll focus on picking 4-6 neighborhoods per city and matching suitable buildings for meetings. I'll verify specific venues like the Broadway Theatre or the Regal library, and review them for each city cluster. Let's confirm the best options for meeting spaces!

## Confirming venues for meetings

For Prince Albert, I'm considering places like the E.A. Rawlinson Centre, St. Alban's Cathedral, and Alfred Jenkins Field House. Moose Jaw has venues like the Cultural Centre and Cosmo Senior Citizens Centre. In Swift Current, I'll look into the Lyric Theatre and other venues, confirming the neighborhood match for each. Let's verify!

## Verifying Swift Current neighborhoods

Swift Current might not have well-defined neighborhoods, but I can use names like Highland, Riverview, and Saskatchewan Valley. I should double-check with reliable sources to make sure these are accurate. I'll search to confirm the neighborhood layout before finalizing any details.

## Searching for neighborhoods and meeting venues in cities

### Confirming Swift Current venues

For Swift Current, I'm using realtors' sites and city maps to verify neighborhoods like Highland and North Hill. I found some venues such as Great Plains College and the Art Gallery of Swift Current. I'll confirm addresses next. For Saskatoon, I'm picking buildings like TCU Place and Frances Morrison Central Library—time to search for citations!

## **Searching for building addresses in Saskatoon and Swift Current**

### **Verifying Regina venues**

For Regina, I'm looking at venues like the Regina Public Library Central and Westminster United Church. I found the Regina Performing Arts Centre, though the location's a bit tricky—might be near Elphinstone or Angus Street. I'll double-check that, and also verify Wascana Centre as a neighborhood before finalizing.

## **Searching addresses of Regina buildings and venues**

### **Checking Prince Albert venues**

For Prince Albert, I'm looking at places like the E.A. Rawlinson Centre for the Arts and the John M Cuelenaere Public Library. I think the Rawlinson Centre is likely in Midtown or downtown. I need to check the library's address and confirm the exact neighborhoods for each venue before finalizing the list.

## **Searching addresses and neighborhoods for Prince Albert venues**

### **Looking up Moose Jaw buildings**

For Moose Jaw, I have venues like the Moose Jaw Cultural Centre (Mae Wilson Theatre), St. Andrew's Church, and others like the Kinsmen Sportsplex and Yara Centre. I think the neighborhoods should be easy to map, with "Downtown" likely being referred to as "City Centre." I'll check to confirm.

## **Searching Moose Jaw building addresses and locations**

### **Looking up Swift Current buildings**

For Swift Current, the buildings I'll focus on include Great Plains College, the Art Gallery, Innovation Credit Union iPlex, Swift Current Branch Library, and Lyric Theatre. I'll gather more details on these now. Let's check them out to make sure all addresses and info are accurate!

## **Searching for Swift Current building addresses and details**

### **Organizing neighborhoods & buildings**

I'm selecting specific neighborhoods for Regina, like "Downtown" with the Regina Public Library and "Warehouse District" with Estelle Event Centre. For Saskatoon, I've found neighborhoods like Nutana and Riversdale and buildings like St. John's Anglican Cathedral. I'll ensure these neighborhoods are real by double-checking PDFs!

## **Refining Moose Jaw venues**

For Moose Jaw, I'm relying on "Downtown Moose Jaw" even though the map doesn't list it directly. The Cultural Centre says it's on Main Street, so that works. I'll also include general venues from neighborhoods like Sunningdale (with Sunningdale School) and "Palliser Heights" with "St. Joseph's".

## Organizing Moose Jaw venues

For Moose Jaw, I'll use four entries, spaced out across neighborhoods: Downtown (Mae Wilson), Kinsmen Sportsplex (possibly in "Crescent Park"), Phyllis Dewar Pool, and the Moose Jaw Public Library (both in "Crescent Park"). For Kinsmen, I'll use the "Palliser Heights" or "West Park" areas, though it's hard to pinpoint exactly.

## Searching addresses for Moose Jaw neighborhood venues

## Summarizing Regina, Saskatoon, and Prince Albert venues

For Regina, I'll use the Estelle Event Centre in the Warehouse District for meetings, and māmawêyatîtan Centre for North Central. Saskatoon neighborhoods include Downtown, Nutana, Riversdale, and Lawson Heights. For Prince Albert, I'll focus on Midtown (EA Rawlinson & library) and East Hill (possibly St. Alban's Cathedral).

## Searching for Prince Albert location information

## Identifying Swift Current neighborhoods and venues

For Swift Current, I'll define neighborhoods as Highland, North Hill, Riverside, and Downtown. Sources include realtor pages and the city's Downtown Business Community page. For Riverside, while Riverside Park isn't a building, I might use Elmwood Golf Club clubhouse as a venue. Alternatively, I could explore Riverview as a neighborhood.

## Searching for Swift Current neighborhood details

## Preparing final list for top 5 cities

I'll focus on ensuring Swift Current is ranked as the fifth-largest city (per statistics and Wikipedia sources). I'll create a final list with consistent formatting, such as "Neighborhood, City — Building, City, Province," for a total of 20 rows. The entries for Saskatoon and Regina will be the largest two cities. For other cities, no further citations are needed. I'll continue this with specific listings for Saskatoon and more.

## Diversifying venue list

I'm diversifying the list to cover more options. For Saskatoon, I'll include venues in Nutana, Riversdale, and Lawson Heights. For Regina, the list covers Downtown, Cathedral Area, Warehouse District, Wascana Centre, and North Central. For Prince Albert, venues span Midtown, East Hill, and possibly West Hill for Alfred Jenkins Field House.

## Listing Buildings Across Saskatchewan Cities
